

# Autism 200 Series

Autism 200 is a series of 90-minute classes for parents and caregivers of children with autism who wish to better understand this disorder. Faculty from Seattle Children's, the University of Washington and community providers teach the classes. Each class includes time for questions.

Classes are held the third Thursday of the month at Seattle Children's Hospital from 7 to 8:30 p.m. in Wright Auditorium. Lectures are available through Seattle Children's video and teleconferencing outreach program and can be viewed at various locations throughout the region.

For a list of teleconferencing sites please visit our website:
